

THUNDERSTORM C H A S E R

FILENAME	DESCRIPTION
HAIL_Precipitation-Hail Moderate Dry Foliage_B00M_3DS14_2.0.wav	Moderate sized hail falls on dry foliage with clicking, clacking, and tapping throughout. Distant breeze throughout.
HAIL_Precipitation-Hail Start Stop_B00M_3DS14_2.0.wav	Hail of moderate size begins and subsides in an open alpine meadow. Faint birds heard at times.
HAIL_Precipitation-Hail Onset_B00M_3DS14_2.0.wav	Light rain turns to hail quickly before turning back to rain. Intensity and tone varies quickly, however this file is unedited.
RAINVege_Precipitation-Forest Drips_B00M_3DS14_2.0.wav	raindrops fall from the canopy and hit the forest floor in a deciduous forest creating sporratic crackling drips. Occasional birds heard at times.
RAINVege_Precipitation-Heavy Forest Leaves_B00M_3DS14_2.0.wav	A heavy rain falls in a deciduous forest, creating various textures and tones as it hits leaves and drops to the understory. Rain intensity undulates, but remains relatively heavy throughout. Occasional distant birds heard at times.
RAINVege_Precipitation-Heavy Forest Taps_B00M_3DS14_2.0.wav	Big raindrops fall in a forest creating cracks and taps on the forest floor. Squirrels and birds heard at times.
RAINVege_Precipitation-Large Drops Crackle_B00M_3DS14_2.0.wav	Large raindrops fall in an open alpine meadow causing crackling and tapping on dry vegetation. Raindrops decrease in size over time. Distant animals and birds heard at times.
RAINVege_Precipitation-Large Drops_B00M_3DS14_2.0.wav	Large drops of water fall off a tree trunk, splattering onto the soft ground.
RAINVege_Precipitation-Large Dry Foliage_B00M_3DS14_2.0.wav	Large raindrops fall on dry foliage. Rain increases then decreases in intensity. Occasional birds and insects heard at times.
RAINVege_Precipitation-Light Drippy Birds_B00M_3DS14_2.0.wav	Light rain falls onto the tree canopy in a deciduous forest and drips to the understory. Birds and insects present throughout.
RAINVege_Precipitation-Light Forest Drips_B00M_3DS14_2.0.wav	After a large rain event in a forest, large drops falling from the tree canopy. Squirrels and birds heard at times.
RAINVege_Precipitation-Light Forest Taps_B00M_3DS14_2.0.wav	Light to moderate rain falls gently in a mountainous forest. Heavier drops heard falling from the canopy at times creating tonal taps on the forest floor. Squirrels and birds heard at times.
RAINVege_Precipitation-Moderate Consistent Forest_B00M_3DS14_2.0.wav	Moderately heavy rain falls consistently in a deciduous forest with various tones and textures. Distant birds heard at times.
RAINVege_Precipitation-Moderate Dry Foliage_B00M_3DS14_2.0.wav	Moderately heavy rain falls on dry foliage. Distant breeze heard throughout. Occasional birds, insects, and faint thunder at times.
RAINVege_Precipitation-Moderate Forest Taps_B00M_3DS14_2.0.wav	Moderately heavy rain with small drops falls in a mountainous forest. Heavier drops heard falling from the canopy at times creating tonal taps on the forest floor. Squirrels and birds heard at times.

THUNDERSTORM C H A S E R

FILENAME	DESCRIPTION
RAINVege_Precipitation-Moderate Sizzle_B00M_3DS14_2.0.wav	A moderate rain falls in an open alpine meadow on dry vegetation creating a sizzle. Rain decreases slowly over time. Distant animals and birds heard at times.
RAINVege_Precipitation-Moderate Sizzling_B00M_3DS14_2.0.wav	A moderately light rain falls consistently onto dry vegetation in an open plain.
RAINVege_Precipitation-Relaxing Forest_B00M_3DS14_2.0.wav	A relaxing rain falls in a grove of aspens. Varied textures and tones. Rain starts to subside over time. Birds heard at times
RAINVege_Precipitation-Start Stop_B00M_3DS14_2.0.wav	A pleasant rain slowly starts, increases, then slowly stops in an alpine meadow. Rain strikes dry foliage and exposed earth. Distant birds heard at times.
STORM_Precipitation-Rain Crackling Breeze_B00M_3DS14_2.0.wav	Moderate rain falls on dry vegetation creating crackling and sizzling with a moderately distant breeze heard throughout. Rain increasing in intensity throughout. Heavier drops at times. Occasional distant birds and insects, distant faint thunder
STORM_Precipitation-Rain Moderate Breeze_B00M_3DS14_2.0.wav	Light to moderate rain falls in an open dry field with a moderately distant breeze heard throughout. Heavier drops at times. Occasional distant birds and insects, distant faint thunder at times.
STORM_Thunderstorm-Rain Decreasing Thunder Moderate_B00M_3DS14_2.0.wav	Heavy rain decreasing while moderately close thunder is heard in a deciduous forest.
STORM_Thunderstorm-Rain Thunder Relaxing_B00M_3DS14_2.0.wav	Iconic relaxing thunderstorm with consistent rain and distant birds singing occasionally. Thunder is moderately close at times.
STORM_Thunderstorm-Rain Thunder Varied_B00M_3DS14_2.0.wav	Rapidly changing rain and wind conditions with varied but powerful thunder. Birds heard at a distance at times. Large thunder clap at end of file.
STORM_Thunderstorm-Storm Approaching Thunder Consistent Loud_B00M_3DS14_2.0.wav	A large storm cell approaches, thunder is heard cracking and booming nearly continuously from multiple directions. Birds heard occasionally throughout. Woodpecker heard tapping on tree at times.
STORM_Thunderstorm-Thunder Big Metallic_B00M_3DS14_2.0.wav	Powerful close metallic thunder claps with occasional distant birds and insects.
STORM_Thunderstorm-Thunder Booming Rain_B00M_3DS14_2.0.wav	Moderately distant thunder booms as a light relaxing rain falls. Birds heard distantly at times.
STORM_Thunderstorm-Thunder Close Defined Birds_B00M_3DS14_2.0.wav	Varying close and defined thunder heard as birds call vibrantly but sparsely throughout. Rain slowly developing over time. Insects heard flying faintly at times
STORM_Thunderstorm-Thunder Close Powerful Birds Rain_B00M_3DS14_2.0.wav	Close thunder peels, echoes, and booms through mountainous terrain with birds chirping at moderately close distances throughout. Light to moderate rain throughout. Extremely close thunder at times.
STORM_Thunderstorm-Thunder Close Rain Drippy_B00M_3DS14_2.0.wav	Extremely close defined thunder is heard peeling, booming, and echoing through mountainous terrain with a light drippy rain falling in a deciduous forest. Distant birds heard at times.

THUNDERSTORM CHASER

FILENAME	DESCRIPTION
STORM_Thunderstorm-Thunder Close Rain Drops Varying_B00M_3DS14_2.0.wav	Close thunder is heard occasionally with large raindrops falling from the tree canopy. Rain is varying in intensity. Occasional distant birds.
STORM_Thunderstorm-Thunder Close Rain Varying_B00M_3DS14_2.0.wav	Thunder at varying distances with quickly varying rainfall throughout. Close powerful thunder at times. Distant birds occasionally.
STORM_Thunderstorm-Thunder Deep Light Rain_B00M_3DS14_2.0.wav	Deep booming thunder heard with a light trickling rain. Birds heard at a moderate distance throughout.
STORM_Thunderstorm-Thunder Distant Birds Rain_B00M_3DS14_2.0.wav	Thunder heard at a moderate distance with birds chirping and flying insects at a medium distance throughout.
STORM_Thunderstorm-Thunder Distant Rain Moderate_B00M_3DS14_2.0.wav	Relaxing distant thunder is heard while a varying rain falls in a deciduous forest. Distant birds at times.
STORM_Thunderstorm-Thunder Distant Rolling Wind Birds Insects_B00M_3DS14_2.0.wav	A thunderstorm is heard at a moderate distance with winds increasing. Birds and insects heard throughout. Thunder gets closer and louder throughout.
STORM_Thunderstorm-Thunder Distant Wind Sweeping Rain_B00M_3DS14_2.0.wav	Moderately distant but varying thunder is heard as rain and wind increase in an alpine prairie. Wind and rain is very textural and close. Birds heard at varying distances throughout.
STORM_Thunderstorm-Thunder Echoes Rain_B00M_3DS14_2.0.wav	Powerful thunder echoes through mountainous terrain. Light rain and some hail increasing in intensity. Birds heard at moderate distances at times.
STORM_Thunderstorm-Thunder Extreme Rain Light_B00M_3DS14_2.0.wav	Extremely close and powerful reverberant thunder. Light rain changing in intensity throughout. Distant birds calling at times.
STORM_Thunderstorm-Thunder Moderate Birds_B00M_3DS14_2.0.wav	A thunderstorm is heard at a moderate distance with birds and insects calling and flying throughout.
STORM_Thunderstorm-Thunder Moderate Insects_B00M_3DS14_2.0.wav	Moderately distant but powerful thunder booms with flying insects and birds present throughout.
STORM_Thunderstorm-Thunder Moderate Relaxing_B00M_3DS14_2.0.wav	Relaxing moderately close thunder and very light drops of rain. Birds heard singing at times.
STORM_Thunderstorm-Thunder Moderate Wind Sweeping_B00M_3DS14_2.0.wav	Moderate thunder heard with a light sweeping wind heard throughout. Birds heard calling and singing vibrantly at times.
STORM_Thunderstorm-Thunder Powerful Light Rain_B00M_3DS14_2.0.wav	Powerful thunder booms and echoes through mountainous terrain at varying distances with a light rain developing. Birds heard at moderate distances throughout.
STORM_Thunderstorm-Thunder Powerful Rain_B00M_3DS14_2.0.wav	Powerful thunder booms and echoes through mountainous terrain at varying distances with a light rain throughout. Birds heard at moderate distances throughout.

THUNDERSTORM C H A S E R

FILENAME	DESCRIPTION
STORM_Thunderstorm-Thunder Rumbling Rain Light_B00M_3DS14_2.0.wav	Distant thunder rumbles and booms while a light but increasing rain falls in an open meadow. Distant birds heard at times.
STORM_Thunderstorm-Thunder Sparse Rain Moderate_B00M_3DS14_2.0.wav	Sparse but occasionally close thunder heard booming and echoing while moderately heavy rain increases and falls in a deciduous forest. Distant birds heard at times.
STORM_Thunderstorm-Thunder Varied Light Rain_B00M_3DS14_2.0.wav	Thunder of various strength heard as light rain begins to fall. Loud powerful thunder at times.
STORM_Thunderstorm-Thunder Varied Rain_B00M_3DS14_2.0.wav	Varying and occasionally close thunder with rapidly changing rain. Birds heard faintly at times.
STORM_Thunderstorm-Thunderstorm Approaching Birds_B00M_3DS14_2.0.wav	A large thunderstorm approaches and birds can be heard sheltering and communicating. Wind increases as storm approaches.
STORM_Thunderstorm-Thunderstorm Approaching_B00M_3DS14_2.0.wav	A thunderstorm is heard approaching closer and closer. Birds and insects heard at times.
STORM_Thunderstorm-Thunderstorm Arrival Rain_B00M_3DS14_2.0.wav	A thunderstorm arrives overhead bringing rain, wind, and deep rolling thunder. Birds heard faintly at times.
STORM_Thunderstorm-Thunderstorm Developing_B00M_3DS14_2.0.wav	Large thunderstorm develops overhead, with onset of heavy rain with tonal taps, hail, and close thunder. Birds heard distantly at times.
STORM_Thunderstorm-Thunderstorm Distant Birds Insects_B00M_3DS14_2.0.wav	A distant thunderstorm approaches as birds sing and insects fly nearby. Rustling of nearby brush audible at times.
STORM_Thunderstorm-Thunderstorm Distant Birds Vibrant_B00M_3DS14_2.0.wav	A distant thunderstorm approaches as birds sign vibrantly and wind gently sweeps through the trees.
STORM_Thunderstorm-Thunderstorm Distant Wind_B00M_3DS14_2.0.wav	A distant thunderstorm approaches as wind swirls around an alpine valley. Birds and insects heard at times.
STORM_Thunderstorm-Thunderstorm Sheltered_B00M_3DS14_2.0.wav	Large thunderstorm heard from the perspective of a sheltered hut. Large thunder claps at times. Rain intensity changes rapidly.
STORM_Wind-Roaring Gale Rain_B00M_3DS14_2.0.wav	Wind roars and whips as light rain starts to fall at the front of a storm cell. Birds and insects heard at times
STORM_Wind-Updraft Strong_B00M_3DS14_2.0.wav	Updraft winds sweep through a mixed forest ahead of a large storm front. Debris heard falling at times.
THUN_Isolated-Thunder Close Clapping Rolling_B00M_3DS14_2.0.wav	Close thunder ripples and claps for an extended period. Distant birds and raindrops heard at times.

THUNDERSTORM C H A S E R

FILENAME	DESCRIPTION
THUN_Isolated-Thunder Close Cracking Boom_B00M_3DS14_2.0.wav	Close thunder with long cracks and then distantly booms
THUN_Isolated-Thunder Close Cracking Booming Rain_B00M_3DS14_2.0.wav	Close thunder heard cracking and rumbling with an extended tail. Moderate breeze and light rain heard throughout.
THUN_Isolated-Thunder Close Cracking Booming_B00M_3DS14_2.0.wav	Close thunder cracking and booming with a long tail. Light raindrops faintly falling.
THUN_Isolated-Thunder Close Cracking Metallic Peel_B00M_3DS14_2.0.wav	Close thunder with a crackling and metallic peel with little deep booming.
THUN_Isolated-Thunder Close Cracking Rolling_B00M_3DS14_2.0.wav	Close thunder cracks and rolls with a slight metallic tonality and long booming tail. Birds heard distantly at times.
THUN_Isolated-Thunder Close Crackling Large Booming_B00M_3DS14_2.0.wav	Close thunder cracks and ripples followed by a deep powerful but more distant booming echo. Distant birds heard occasionally.
THUN_Isolated-Thunder Close Crackling Peel_B00M_3DS14_2.0.wav	Close thunder with a long crackling peel followed by a lighter booming. Birds heard distantly at times.
THUN_Isolated-Thunder Close Defined Large Reverberant_B00M_3DS14_2.0.wav	Close thunder crackles and peels before large and powerful reverberant booming echoes through a mountain valley. Light rain heard faintly.
THUN_Isolated-Thunder Close Defined Rain_B00M_3DS14_2.0.wav	Close thunder heard cracking and peeling with large explosive boom. Long reverberant tail. Light rain heard faintly.
THUN_Isolated-Thunder Close Intense Light Rain_B00M_3DS14_2.0.wav	Close and defined lightning strike with rain falling. Large reverberant tail.
THUN_Isolated-Thunder Close Large Booming_B00M_3DS14_2.0.wav	Close thunder cracks and booms with interesting reverberation across the landscape. Distant birds heard at times.
THUN_Isolated-Thunder Close Long Boom_B00M_3DS14_2.0.wav	Moderately close thunder with a tonal peel and claps followed by a long and reverberant booming.
THUN_Isolated-Thunder Close Long Crackling Peel_B00M_3DS14_2.0.wav	Close thunder crackles and peels across the sky before a distant powerful booming.
THUN_Isolated-Thunder Close Long Peel Boom_B00M_3DS14_2.0.wav	Close thunder with a long crackling peel and an extended and layered reverberant booming.
THUN_Isolated-Thunder Close Long Peel Booming_B00M_3DS14_2.0.wav	Moderately close thunder with a long peel, followed by a pause and powerful clapping and booming. Long reverberant tail. Occasional distant birds audible at times.

THUNDERSTORM C H A S E R

FILENAME	DESCRIPTION
THUN_Isolated-Thunder Close Long Peel Reverberant Boom_B00M_3DS14_2.0.wav	Close thunder with a long cracking peel and a reverberant tonal booming. Distant bird calls at times
THUN_Isolated-Thunder Close Long Peeling Claps_B00M_3DS14_2.0.wav	Moderately close thunder with long tonal peel, claps, and booming. Distant birds heard at times.
THUN_Isolated-Thunder Close Long Peeling_B00M_3DS14_2.0.wav	Close thunder with a long tonal peel. Distant birds and animals audible at times.
THUN_Isolated-Thunder Close Long Rolling_B00M_3DS14_2.0.wav	Moderately close thunder rolls and peels for a long time. Distant birds heard at times.
THUN_Isolated-Thunder Close Long Tonal Peel_B00M_3DS14_2.0.wav	Moderately close thunder with a long tonal peel and reverberant booming tail. Distant birds audible at times.
THUN_Isolated-Thunder Close Metallic Cracking Peel_B00M_3DS14_2.0.wav	Close short thunder with a metallic peel and little booming.
THUN_Isolated-Thunder Close Metallic Cracking_B00M_3DS14_2.0.wav	Close thunder rumbles, cracks, and peels with a metallic tone. Large reverberant booming present. Distant birds heard at times.
THUN_Isolated-Thunder Close Metallic Peeling Boom_B00M_3DS14_2.0.wav	Moderately close thunder with a metallic sounding clapping followed by a deep booming.
THUN_Isolated-Thunder Close Powerful Claps Light Rain_B00M_3DS14_2.0.wav	Close thunder with powerful claps and large reverberant tail. Rain heard throughout
THUN_Isolated-Thunder Close Powerful Echo_B00M_3DS14_2.0.wav	Close thunder with powerful peels, cracks, and claps that echo in a unique way. Light rain heard faintly. Birds heard distantly at times.
THUN_Isolated-Thunder Close Rippling_B00M_3DS14_2.0.wav	Close thunder rippling and cracking for a long period with large reverberant boom. Birds heard distantly at times.
THUN_Isolated-Thunder Close Short Big Boom_B00M_3DS14_2.0.wav	Close thunder with a short peel but a large explosive and reverberant booming.
THUN_Isolated-Thunder Close Short Metallic Peel_B00M_3DS14_2.0.wav	Close thunder booms and peels with a metallic tone for a short duration. Sounds almost like a reverse thunder clap.
THUN_Isolated-Thunder Close Tonal Peel_B00M_3DS14_2.0.wav	Moderately close thunder with tonal peel and clapping. Distant birds heard at times.
THUN_Isolated-Thunder Distant Booming_B00M_3DS14_2.0.wav	Large thunder booming at a distance. Sporadic and light raindrops at times.

THUNDERSTORM C H A S E R

FILENAME	DESCRIPTION
THUN_Isolated-Thunder Distant Metallic Booming_B00M_3DS14_2.0.wav	Distant thunder booming with a metallic tone. Sporadic and light raindrops at times.
THUN_Isolated-Thunder Distant Peel Booming_B00M_3DS14_2.0.wav	Distant peeling and booming thunder. Light leafy breeze audible. Occasional distant birds and insects.
THUN_Isolated-Thunder Distant Rolling_B00M_3DS14_2.0.wav	Distant thunder clapping and rolling. Occasional birds and insects.
THUN_Isolated-Thunder Metallic Peel_B00M_3DS14_2.0.wav	Close metallic sounding long peel without much deep booming.
THUN_Isolated-Thunder Moderate Clapping Distant Boom_B00M_3DS14_2.0.wav	Moderately close thunder clapping and peeling shortly, with a distinct separate distant booming.
THUN_Isolated-Thunder Moderate Cracking Booming_B00M_3DS14_2.0.wav	Moderately close thunder cracks and peels without much booming. Birds heard at times. Sporadic and very occasional raindrops.
THUN_Isolated-Thunder Moderate Distant Booming_B00M_3DS14_2.0.wav	Moderately distant thunder claps followed by a long boom.
THUN_Isolated-Thunder Moderate Large Reverberant Rain_B00M_3DS14_2.0.wav	Moderately distant thunder with a large clap and reverberant boom. Light rain heard faintly.
THUN_Isolated-Thunder Moderate Long Peel Booming_B00M_3DS14_2.0.wav	Moderately distant light thunder with a long peeling and booming.
THUN_Isolated-Thunder Moderate Long Peel_B00M_3DS14_2.0.wav	Moderately distant thunder with a long peel followed by deep booming. Occasional distant birds audible at times.
THUN_Isolated-Thunder Moderate Peel Booming_B00M_3DS14_2.0.wav	Moderate peeling and booming thunder. Light leafy breeze audible.
THUN_Isolated-Thunder Moderate Powerful Boom_B00M_3DS14_2.0.wav	A moderately distant powerful boom. Birds heard distantly at times. Faint breeze throughout.
THUN_Thunderstorm-Thunder Booming Cave_B00M_3DS14_2.0.wav	Thunder booming heard from inside a small cave. Birds and insects heard at times.
THUN_Thunderstorm-Thunder Danger Close Loud Clashing_B00M_3DS14_2.0.wav	Recordist nearly hit by lightning stroke, extreme close call and very loud, slightly clipping.
